

Human Resources

We're Still Here for You!

Phone: (248) 758-3293

E-mail Us: humanresources@pontiac.mi.us

In response to the City of Pontiac COVID-19 preparedness and response plan, **Human Resources remains open and will continue to provide services by phone, email or virtual means.** In person drop-in services are not available at this time. On an *exception* basis, in person customer service will be offered by appointment only and will be limited to new hire onboarding that cannot be conducted via Zoom and other special situations that may require a face to face meeting.

This change in operations will help us continue to provide valuable services for our internal and external customers while also protecting our team members during the COVID-19 public health emergency.

Essentials services are not impacted and will continue to be provided.
