District 4 CDC meeting in February is cancelled!

State of District 4 at March CDC meeting!

As we prepare for our final year, let's review the platform that I ran under. First, I stated that it was a goal to make District 4 safer. Next, I wanted to remove graffiti and blighted homes out of our district. Next, we wanted to increase community involvement. And finally, it was a goal to understand the taxes that face us. It was this reason that our CDC meeting was cancelled for February, I

wanted to not only understand our taxation system but fight against the irregularities.

I will be presenting detailed information regarding our tax situation in our meeting in March. Please feel free to call me if you have any questions before then.

Respectfully,

Randy
