June CDC meeting!

I would like to thank everyone for the great job we are doing in keeping our grass under control! There are a lot of exciting things going on in our district. We will have an update on this request at our CDC meeting on the 19th! It will be held at Owen Kennedy Elementary School, 1700 Baldwin Avenue in Pontiac.

We are currently in the process of budget talks with the City and in the School District. These are very important meetings, because the decisions made will influence how your tax dollars are allocated. I encourage you to participate in these meetings. I will update you on the city's budget at the CDC.

I am currently in process of setting up our State of the District Meeting for District 4. I will let everyone know once it has been scheduled at City Hall. Respectfully, Randy

Thank you Joe Hejka of Rebuilding Together Oakland County Project for District 4

Joe Hejka of Rebuilding Together of Oakland County selected our district as a remodeling project for 2013. This will allow seniors, veterans, physically and mentally disabled, and single parent families an opportunity to beautify their homes. We would like to thank Joe for refurbishing 6 properties in District 4, including one school property and

one church!
