RESOLUTION OF THE PONTIAC CITY COUNCIL

Whereas, the Michigan State Senate passed an amended HB 4462 which will impact the way employee income tax withholding is collected; and,

Whereas, the Michigan Income Tax Administrators Association has reviewed the proposed legislation and has issued a statement opposing the legislation; and,

Whereas, upon review of the amendments approved by the State Senate, the City of Pontiac believes that the program will result in an increased administrative burden and cost to the City, in unequal treatment of tax law to City residents, in increased federal and state taxes to City residents, and revenue collections less than the City would be entitled to under the current law; and,

Whereas, the proposed legislation will not result in an economic benefit to the City of Pontiac;

Therefore, be it resolved that the Pontiac City Council strongly expresses its united opposition to the legislation and urges the Michigan House of Representatives to defeat the legislation and Governor Snyder to veto the legislation should the legislation be approved by the House of Representatives;

Be it further resolved that a copy of this resolution be forwarded to each member of the Michigan House of Representatives; and,

Be it further resolved that a copy of this resolution be forwarded to the Mayor, City Council and City Manager of each city in the State of Michigan that levies a local income tax.
