

City of Pontiac Vacant Lot Sale

The following vacant lots are available for purchase from the City of Pontiac. Lots that are zoned RV and do not have a notation in the Department column are available for \$300 each. If more than one party expresses an interest in a particular lot, then a sealed bid process will be initiated. The highest bidder will obtain the lot.

For those lots that are not zoned RV or for those lots that have a notation in the Department column, the City will accept open offers. The highest bidder will obtain the lot.

The City reserves the right to remove any parcel from this list for any reason at any time. At the time that this list was created, the City has received a deposit for about one dozen lots. If the interested party has not paid for the balance due by the time that this sale period has concluded, then the lot will be made available to the general public.

All offers must be made on the form available and a deposit of \$100.00 is required. Please make checks payable to City of Pontiac. Forms and checks shall be mailed to the attention of Mr. Garland Doyle, City of Pontiac, Department of Community Development, 47450 Woodward Ave., Pontiac, MI 48342.
