Pontiac, MI 48342

Enclosed is the engagement letter for the *City of Pontiac* for the year ended June 30, 2015. *Government Auditing Standards* (as amended) require that we communicate, during the planning stage of an audit, certain information to the Transition Advisory Board. This information includes the auditors' responsibilities in a financial statement audit, including our responsibilities for testing and reporting on compliance with laws and regulations and internal control over financial reporting. The engagement letter includes the items which must be communicated to the Transition Advisory Board.

Therefore, please make copies of the attached engagement letter and forward the copies to Transition Advisory Board.

Please sign and return the enclosed copy of the attached engagement letter to us at your earliest convenience.

Sincerely,

A handwritten signature in cursive script that reads 'Rehmann Robson LLC'.

Enclosures

August 19, 2015

Transition Advisory Board
Joe Sobota, City Administrator
City Council
City of Pontiac
47450 Woodward Avenue
Pontiac, MI 48342

We are pleased to confirm our understanding of the services we are to provide **City of Pontiac** (the "City") for the year ended June 30, 2015. We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of the City as of and for the year ended June 30, 2015. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI) such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis
2. Schedules of Funding Progress and Employer Contributions - Pension Plan
3. Schedules of Funding Progress and Employer Contributions - OPEB Plan

We have also been engaged to report on supplementary information other than RSI, such as combining and individual fund financial statements, that accompanies the City's basic financial statements. We will subject the supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole.

Audit Objectives

The objective of our audit is the expression of opinions as to whether the City's basic financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the basic financial

statements taken as a whole. Our audit of the City's financial statements does not relieve management or those charged with governance of their responsibilities. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the City and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the City's financial statements. Our report will be addressed to the Transition Advisory Board of the City. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs to our report. If our opinions on the financial statements are other than unmodified, we will discuss the reasons with management in advance. If circumstances occur and come to our attention related to the condition of the City's records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, or we become aware that information provided by the City is incorrect, incomplete, or otherwise unsatisfactory which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The reports on internal control and compliance will each include a paragraph that states that the purpose of the report is solely to describe the scope of testing of internal control over financial reporting and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance and that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the City is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

The concept of materiality is inherent in the work of an independent auditor. An auditor places greater emphasis on those items that have, on a relative basis, more importance to the financial statements and greater possibilities of material error than with those items of lesser importance or those in which the possibility of material error is remote. For this purpose, materiality has been defined as "the magnitude of an omission or misstatement of accounting and financial reporting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would have been changed or influenced by the omission or misstatement."

Management Responsibilities

Management is responsible for the basic financial statements and all accompanying information as well as all representations contained therein. As part of the audit, we will assist with the preparation of the City's financial statements and related notes. Management will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and that management has reviewed and approved the financial statements and related notes prior to their issuance and has accepted responsibility for them. Management agrees to assume all management responsibilities for any nonaudit services we provide; oversee the services by designating an individual, preferably from senior management, who possesses suitable skill, knowledge, and/or experience to oversee any nonaudit services we provide; evaluate the adequacy and results of these or other nonattest services provided by our Firm; and understand and accept responsibility for the results of such services.

Management is responsible for designing, implementing, and maintaining effective internal controls, including ongoing monitoring activities; to help ensure that appropriate goals and objectives are met; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with an acceptable financial reporting framework. Management is responsible for determining, and has determined, that the applicable and appropriate financial reporting framework to be used in the preparation of the City's financial statements is accounting principles generally accepted in the United States of America (GAAP).

Management is also responsible for making all financial records and related information available to us and for ensuring that financial information is reliable and properly recorded. Management is also responsible for providing us with (1) access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request from management for the purpose of the audit, and (3) unrestricted access to persons within the City from whom we determine it necessary to obtain audit evidence.

Management's responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

We understand that management will provide us with such information required for our audit, including a reasonably adjusted trial balance, and that management is responsible for the accuracy and completeness of that information. Assistance provided by our Firm in the preparation of a reasonably adjusted trial balance is considered an additional billable service.

We will advise management about appropriate accounting principles and their application and may assist in the preparation of the City's financial statements, but the responsibility for the financial statements remains with management with oversight by those charged with governance. As part of our engagement, we may propose standard, adjusting, or correcting journal entries to the City's financial statements. Management is responsible for reviewing the entries, understanding the nature of any proposed entries and the impact they have on the financial statements, and the implications of such entries on the City's internal control over financial reporting. Further, the City is responsible for designating a qualified management-level individual to be responsible and accountable for overseeing these services.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management's responsibilities include informing us of its knowledge of any allegations of fraud, suspected fraud, or illegal acts affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, management is responsible for identifying and ensuring that the City complies with applicable laws, regulations, contracts, agreements and grants and for taking timely and appropriate steps to remedy any fraud, violations of contracts or grant agreements, or abuse that we may report.

Management is responsible for the preparation of the supplementary information that is presented fairly in relation to the basic financial statements. Management agrees to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Management's responsibilities include acknowledging to us in the representation letter that (1) management is responsible for presentation of the supplementary information in accordance with GAAP; (2) that management believes the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) management has disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. Management is also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as management's planned corrective actions for the report, and for the timing and format for providing that information.

During the course of our engagement, we will request information and explanations from management regarding the City's operations, internal control over financial reporting, various matters concerning fraud risk, future plans, specific transactions, and accounting systems and procedures. At the conclusion of our engagement, we will require, as a precondition to the issuance of our report, that management provide certain representations in a written management representation letter.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial

reporting, (3) misappropriation of assets; or (4) violations of laws or governmental regulations that are attributable to the City or to acts by management or employees acting on behalf of the City. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We may request written representations from the City's attorneys as part of the engagement, and they may bill the City for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from management about the financial statements and related matters.

We have advised the City of the limitations of our audit regarding the detection of fraud and the possible effect on the financial statements (including misappropriation of cash or other assets). We can, as a separate engagement, perform extended procedures specifically designed to potentially detect defalcations. Management acknowledges that the City has not engaged us to do so and does not wish to do so at this time.

Audit Procedures - Internal Controls

Our audit will include obtaining an understanding of the City and its business environment, including internal control over financial reporting, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing and extent of further audit procedures that are appropriate in the circumstances. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control, or to identify significant deficiencies or material weaknesses in internal control, or to express an opinion on the effectiveness of internal control over financial reporting. However, during the audit, we will communicate to the appropriate level of management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

These matters refer to significant matters related to the financial statement audit that are, in our professional judgment, relevant to the responsibilities of those charged with governance in overseeing the City's financial reporting process. When applicable, we are responsible for communicating certain matters required by laws or regulations, or by additional requirements that may be applicable to this engagement. Auditing standards generally accepted in the United States of America do not require the independent auditor to design or perform procedures for the purpose of identifying other matters to communicate with those charged with governance. Management is responsible for assessing the implications of and correcting any internal control-related matters brought to the City's attention by us.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Engagement Administration, Fees, and Other

Our fee for the audit services for the year ended June 30, 2015 will be \$69,000.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

This fee is based on the assumption that unexpected circumstances will not be encountered during the audit. This fee is based on anticipated cooperation from the City's personnel, continued readiness and proactive assistance on their part in providing us with complete and accurate information (whether financial or nonfinancial in nature) considered necessary by us to form an appropriate opinion, and the assumption that unexpected circumstances will not be encountered during the audit. Such circumstances include, but are not necessarily limited to significant addition or deletion of funds, component units or related entities and first-time application of significant new professional accounting or auditing pronouncements. In addition, the fee above assumes management will analyze and maintain appropriate support for significant valuation assertions embodied in the financial statements.

If significant additional time is necessary, we will discuss the related circumstances with management and arrive at a new fee estimate. In these circumstances, we may also issue a change order form (an attached example is provided.)

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Rehmann and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to a cognizant or grantor agency for audit or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for

Transition Advisory Board
Joe Sobota, City Administrator
City Council
City of Pontiac
August 19, 2015
Page 7

purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify management of any such request. If requested, access to such audit documentation will be provided under the supervision of Rehmann personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the cognizant agency, oversight agency for audit, or pass-through City. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be part of a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Government Auditing Standards require that we provide the City with a copy of our most recent external peer review report and any subsequent peer review reports received during the period of the contract. Our 2014 peer review report accompanies this letter.

This engagement letter and the attached Rehmann Audit Engagement Letter Terms reflect the entire understanding between us relating to the audit services covered by this agreement. This agreement may not be amended or varied except by a written document signed by both parties. It replaces and supersedes any previous proposals, correspondence, and understandings, whether written or oral. The agreements of the City and Rehmann contained in this document shall survive the completion or termination of this engagement. If any term hereof is found unenforceable or invalid, this shall not affect the other terms hereof, all of which shall continue in effect as if the stricken term had not been included.

We appreciate the opportunity to be of service to the City and believe the arrangements outlined above and in the attached Rehmann Audit Engagement Letter Terms accurately summarize the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement, please sign the enclosed copy of this document and return it to us.

Rehmann Audit Engagement Letter Terms

ADDITIONAL SERVICES - The Entity may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with management regarding the scope of the additional services and the estimated fees. We also may issue a change order form (an attached example is provided), or a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

CODE OF CONDUCT - Management is responsible for identifying any violations by employees of the Entity's code of conduct.

CHANGES IN STANDARDS, LAWS AND REGULATIONS - We perform services for the Entity based on present professional standards, laws and regulations. While we may on occasion be able to communicate with management with respect to changes in professional standards, laws and regulations, as a general principle we cannot undertake with clients to advise them of every change that may occur. The Entity can always obtain reassurance in this regard by contacting us for an updated review of the Entity's situation.

MANAGEMENT'S REPRESENTATIONS - The procedures we will perform in our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the written and oral representations that we receive from management. Accordingly, misleading, incomplete or omitted representations could cause us to expend unnecessary efforts or could cause material error or a fraud to go undetected by our procedures.

CLIENT ASSISTANCE - We understand that the Entity's employees will prepare all cash, accounts receivable, and other confirmations we request and will locate and refile any documents selected by us for testing. In addition, management will provide us with copies of all minutes and other documents that we believe may have a bearing on our evaluation of the Entity's financial affairs.

WORK SPACE - The Entity shall provide reasonable work space for Rehmann personnel at audit work sites, as well as occasional clerical support services. The Entity understands that Rehmann's performance is dependent on the Entity's timely and effective satisfaction of its own activities and responsibilities in connection with this engagement, as well as timely decisions and approvals by Entity personnel.

ACCURACY AND COMPLETENESS OF INFORMATION - Management agrees to ensure that all information provided to us is accurate and complete in all material respects, contains no material omissions and is updated on a prompt and continuous basis. In addition, management will also be responsible for obtaining all third-party consents, if any, required to enable Rehmann to access and use any third-party products necessary to our performance.

EMAIL - The Entity acknowledges that (a) Rehmann, the Entity and others, if any, participating in this engagement may correspond or convey documentation via Internet e-mail unless the Entity expressly requests otherwise, (b) no party has control over the performance, reliability, availability, or security of Internet e-mail, and (c) Rehmann shall not be liable for any loss, damage, expense, harm or inconvenience resulting from the loss, delay, interception, corruption, or alteration of any Internet e-mail due to any reason beyond Rehmann's reasonable control.

OFFERS OF EMPLOYMENT - Professional standards require us to be independent with respect to the Entity in the performance of our services. Any discussions that management has with personnel of our Firm regarding employment could pose a threat to our independence. Therefore, we request that management inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence.

Neither party shall, during the term of this engagement letter and for one (1) year after its termination, solicit for hire as an employee, consultant or otherwise any of the other party's personnel without such other party's express written consent. If the Entity desires to offer employment to a Rehmann associate and the associate is hired

in any capacity by the Entity, a market-driven compensation placement fee may apply.

ADDITIONAL FEES AND BILLING POLICIES - It must be understood that the nature of our engagement requires us to exercise our independent professional judgment with respect to various auditing, accounting and related issues. In reaching our conclusions, we must retain the right to judge the nature and scope of the work required in order to conform to professional standards, as well as the work we deem necessary to enable us to reach the conclusions and form the opinions required of us. If our judgment as to the scope of the work required causes us to reassess our estimate of fees for this engagement, we will so advise the Entity. We reserve the right to refrain from performing additional work (and thereby incurring additional time charges) unless and until the Entity has confirmed its understanding of, and agreement to, any additional estimated charges.

Our fee estimate is based upon our discussions with management, in which management has disclosed no unusual problems or issues which would require us to conduct an audit of unusual scope or otherwise expend time and effort in excess of that normally anticipated in an engagement of this type. The estimate also assumes that we will have the full cooperation of Entity personnel, as required, and that there is a reasonable continuity of Entity personnel familiar with the matters to which our engagement relates. In addition, our fee is based on the experience level of our personnel, at their respective standard hourly rates, performing certain audit procedures at certain timeframes. If we are caused to vary from that planning formula, additional fees will need to be charged to allow for more experienced personnel performing the work, reallocation of our client priority, overtime, etc. Further, management will provide us with the schedules and records that we request (which ordinarily are detailed in a request list in advance of our fieldwork) and that all such schedules and records will be provided to us timely in accordance with the scheduled fieldwork dates, to be mutually agreed upon. If the requested schedules and records are not provided to us in accordance with the scheduled dates and we are unable to continue our work, we will resume our work as soon as the schedules and records are provided to us and our professionals assigned to the engagement again become available.

As a result of well-publicized events, global economic convergence, and the continued evolution of the accounting profession, accounting and auditing standard setters and regulators are continually evaluating the need for changes that may affect the Entity. Such changes may result in changes in financial reporting and expanding the nature, timing and scope of activities we are required to perform to provide the services discussed in this letter. Proposed changes and shortened deadlines could result in a reduction of the level of assistance and preparedness the Entity is able to provide. We expect that our clients may continue to look to us to assist them with these changes. To the extent any changes require us to increase the time required to provide the services described in this letter or to complete new tasks required by such changes, we reserve the right to adjust our fees appropriately. We will endeavor to advise the Entity of anticipated changes to our fees on a timely basis.

In accordance with our Firm policies, work may be suspended if the Entity's account becomes 30 days or more overdue and will not be resumed until the account is paid in full or we have a definitive payment agreement approved by our Firm administrator in Saginaw, Michigan. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. The Entity will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Our terms and conditions impose a late charge of 1.5% per month, which is an annual percentage rate of 18%. Balances not paid within 30 days of the receipt of invoice are past due and a late charge of 1.5% will be applied to the entire past due amount.

CLAIMS - Because there are inherent difficulties in recalling or preserving information as the period after an engagement increases, the Entity agrees that, notwithstanding the statute of limitations of

Rehmann Audit Engagement Letter Terms

any particular State or U.S. Territory, any claim based on the audit engagement must be filed within 12 months after performance of our service, unless management has previously provided us with a written notice of a specific defect in our services that forms the basis of the claim.

TERMINATION OF SERVICES - We reserve the right to suspend or terminate services for reasonable cause such as failure to pay our invoices on a timely basis or failure to provide adequate information in response to our inquiries necessary for successful performance of our audit services. Our engagement will be deemed to be completed upon written notification of termination, even if we have not completed the audit and issued our signed auditors' report. The Entity is obligated to compensate us for the time expended to that point and to reimburse us for all out-of-pocket expenditures through the date of termination.

We acknowledge the Entity's right to terminate our services at any time, and the Entity acknowledges our right to withdraw at any time, including, but not limited to, for example, instances where, in our judgment, (a) the conditions in the first paragraph of the Audit Objectives section of this letter exist, (b) our independence has been impaired, (c) we can no longer rely on the integrity of management, or (d) management (or the Audit Committee, if applicable) fails to reasonably support our efforts to perform the engagement in accordance with what we believe is necessary to comply with professional standards, subject in either case to our right to payment for charges incurred to the date of termination or resignation.

In the event that we determine to resign, and the Entity seeks damages allegedly resulting from such resignation, our maximum liability to the Entity in the event we are held liable because of such resignation shall be limited to the fees actually paid to us for current year audit work performed up to the date of resignation.

REPRODUCTION OF FINANCIAL STATEMENTS - If the Entity voluntarily intends to publish or otherwise reproduce its financial statements concurrently with the original issuance thereon of our audit report and/or make reference to our Firm name, such as for inclusion in an annual report (such as, for example, in a CAFR), prospectus or similar document, the Entity agrees to provide us with printer's proofs, drafts, or masters for our review and approval before printing. The Entity also agrees to provide us with a copy of the final reproduced material for our approval before it is distributed. Fees, if any, for issuance or inclusion of our audit report and/or any other reference to our Firm in such other document, will be based on our standard hourly rates.

If the Entity decides to include, publish or otherwise reproduce the financial statements and our report thereon at a date subsequent to their original issuance, such as for inclusion in a Preliminary or Official Statement in connection with a sale of bonds or notes, or other securities, or in a prospectus or similar offering or other document (hereinafter referred to as the "document"), our Firm is presumed not to be associated with such document, and we have no obligation to perform any procedures with respect to such document. In these circumstances, the Entity agrees to include in the document a statement that we have not been engaged to perform and have not performed, since the date of our report being reproduced, any procedures on the financial statements contained in such document or on the unaudited financial or other information contained in the document, or on the document itself. If, however, management or the Entity's agent (such as an underwriter, bond counsel, financial advisor, etc.) requests our involvement, such as engaging us to prepare a written acknowledgement (sometimes referred to as a "consent" or "agree to include") letter prior to including our audit report in such a document, or engaging us to assist in preparing or reviewing financial or other information contained in such document, our Firm then becomes associated with the document and in accordance with professional standards, we will be required to perform certain limited procedures with respect to this or other unaudited information contained in the document. Fees for reissuance or inclusion of our audit report in such a document will be based on our standard hourly rates. If the Entity wishes to make reference in such a document to our Firm's role in connection with the purpose of the document, the caption "Independent Auditors"

may be used to title or label that section of the document. In accordance with professional standards, the caption "Experts" should not be used, nor should our Firm be referred to as "experts" anywhere in the document.

With regard to electronic dissemination of audited financial statements, including financial statements published electronically on the Entity's internet Web site, the Entity understands that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

INFORMAL ADVICE - As part of our engagement we may provide advice on operating, internal control over financial reporting and other matters that come to our attention. Informal advice is not considered to be a consulting service unless we have entered into a separate engagement.

THIRD PARTY PROCEEDINGS - As a result of our prior or future services to the Entity, we might be requested to provide information or documents to management or a third party in a legal, administrative, or arbitration or similar proceeding in which we are not a party. If this occurs, our efforts in complying with such requests will be deemed billable to the Entity as a separate engagement. We shall be entitled to compensation for our time and reasonable reimbursement for our expenses (including legal fees) in complying with this request. For all requests, we will observe the confidentiality requirements of our profession and will notify management promptly of the request.

PEER REVIEW - Our Firm, as well as other major accounting firms, participates in a "peer review" program covering our audit and accounting practices. This program requires that once every three years we subject our quality assurance practices to an examination by another accounting firm. As part of the process, the other firm will review a sample of our work. It is possible that the work we perform for the Entity may be selected by the other firm for their review. If it is, the other firm is bound by professional standards to keep all information confidential. If management objects to having the work we perform for the Entity reviewed by our peer reviewer, please notify us in writing.

PROMOTIONAL MATERIALS - The Entity consents to Rehmann's use of your Entity name and a factual description of the services to be performed by Rehmann under this agreement in Rehmann's advertising and promotional materials and other proposal opportunities.

Estimated Additional Fees: \$ _____

We believe it is our responsibility to exceed the Entity's expectations. This Change Order is being prepared because performance by us of the above project and/or additional service efforts was not anticipated in our original Agreement dated August 19, 2015. The estimated fees for the above project have been mutually agreed upon by the Entity and Rehmann. It is our goal to ensure that the Entity is never surprised by the price for any Rehmann service and, therefore, we have adopted the Change Order Policy. The estimated additional amount above is due and payable upon completion of the project described.

If management agrees with the above project description and the estimated fee amount, please authorize and date the Change Order below. A copy is enclosed for the Entity's records. Thank you for letting us serve the Entity.

SYSTEM REVIEW REPORT

To the Principals of Rehmann Robson LLC
and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Rehmann Robson LLC, a member of The Rehmann Group (the Firm) applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2014. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The Firm is responsible for designing a system of quality control and complying with it to provide the Firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the Firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards*, audits of employee benefit plans, audits performed under FDICIA, and examinations of service organizations (Service Organizations Control (SOC) 1 and 2) engagements.

In our opinion, the system of quality control for the accounting and auditing practice of Rehmann Robson LLC applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2014, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Rehmann Robson LLC has received a peer review rating of *pass*.
