

Eco-Friendly Boat & Lawn Care Practices

How You Can Take Action as a Homeowner to Protect Water Quality

Session 1: Boat and Auto Care: How we take care of our boats, personal watercrafts, mobile homes, cars and other vehicles greatly influences the health of the Clinton River and Lake St. Clair. Learn what you can do to prevent pollution at the source by following a few simple tips at home and at the marina!

Session 2: Healthy lawn care for water quality: Using healthy lawn care practices is one step toward cleaner rivers and lakes. Learn how to do your part by preventing the problems at the source!

Cost: FREE
