Thank you!

Thank you to all who have donated their time and efforts during this emergency. Special thanks, to Pastor Theresa Lee and the many members of New Birth International Church who provided a temporary shelter during the emergency evacuation of the West Manor residents. At a moment's notice, they opened their church to the displaced residents and provided facilities for which the Red Cross and many volunteers were able to come to aid and assistance of the displaced West Manor Residents.

We are proud of a community that has come together to assist our neighbors!
