## INSTRUCTIONS FOR PAGE 2

### WAGE ALLOCATION - EXCLUSION

Non-residents who performed part of their services OUTSIDE the City of Pontiac for employers listed on Line 1 should use this schedule to document excludable wages for EACH employer, and carry that amount to Page 1, Line 3. **The wages must be included in line 1 to be excluded on line 3.** Divide the number of days worked outside Pontiac (identify locations, and the number of days on Line B) to the total days worked everywhere (Line A) to produce a percentage on Line C. Line C should be multiplied by the applicable amounts reported in Line D (Box 1 of the W2) for each allocated employer and the result entered on Line E, which is reported on Page 1, Line 3. For example, if a construction worker actually worked 234 days in Pontiac and 26 days out of Pontiac, or a total of 260 working days, he would report as wages earned outside Pontiac 26/260 or 10% of his total wages (Box 1 of the W2 which would include vacation pay, holiday pay, and sick pay since all has the relative tax location as the location where the employee performs his services). NOTE - Instead of using days worked, employees paid on a commission basis should multiply their wages by the ratio of commissions earned in Pontiac to total commissions earned.

### LINES 16 THROUGH 27 - PROFIT OR LOSS FROM BUSINESS OR PROFESSION (Federal Schedule C)

Non-residents are taxed on the net profits from their operation of a business or profession, generated within the City of Pontiac.

Line 16 - enter the net profit (or loss) from your business or profession. **You must attach a copy of your federal Schedule C.** If all of your business was within the City of Pontiac, skip lines 17 through 23.

Line 17 - In column I, enter the average net book value of all real and tangible personal property owned by the business, regardless of location. In column II, enter the average net book value of the real tangible personal property owned and located in the City. The average net book value may be determined by adding the net book value at the beginning of the year to the net book value at the end of the year, and dividing the sum by two.

Line 18 - Enter in column I the gross annual rent multiplied by 8 for all rented real property regardless of location. In column II, show the gross annual rent multiplied by 8 for rented real property located in the City. Gross annual rent must include money and other consideration given for the use or possession of real property rented or leased.

Line 19 - add the amounts on Line 17 to the amounts on Line 18, and determine the Pontiac related percentage by dividing column II by column I.

Line 20 - Enter in column I total compensation paid to all employees during the year. In column II, show compensation paid to employees for work or services performed within the City. Determine the Pontiac related percentage by dividing column II by column I.

Line 21 - Enter in column I the total gross revenue from all sales or services rendered during the year. In column II show the amount of revenue derived from sales made or services rendered in the City. Rental income is considered to be derived from services rendered, and must be included in gross receipts. Determine the Pontiac related percentage by dividing column II by column I.

Line 22 - Add the percentages on lines 19, 20, and 21.

Line 23 - Determine the average percentage by dividing the amount on Line 22 by three (3) unless one of the factors does not exist anywhere, then divide by the number of factors actually used.

Line 24 - If your business was not conducted entirely in the City of Pontiac, multiply the amount on line 16 by the percentage on line 23, and enter on Line 24. If it was conducted entirely in the City of Pontiac, enter the amount from Line 16 on Line 24.

Line 25 - Enter the amount of applicable net operating loss carryover from prior years. A net operating loss carry-over may be taken against the current year's net profit (or loss). You may not take a carry-back loss on your Pontiac Income Tax return. Carry-back losses are specifically forbidden by the Income Tax Ordinance (Section 7.2).

Line 26 - If you claim a federal Keogh retirement plan deduction, enter the portion related to the City of Pontiac on line 26. (see percentage on line 23.)

On line 27, combine the amounts from lines 24, 25, and 26.

#### LINE 28 - OTHER INCOME

Enter your share of ordinary income only. Your share of dividends, capital gains, interest, etc., are treated as belonging to you as an individual.

Corporations are not permitted to file as so-called "tax-option" (Subchapter S) corporations. Every corporation subject to City income taxes must file a Pontiac Corporation (P1120). The taxable gain (or loss) of a corporation shall not be prorated to the shareholders and not reported on their City of Pontiac individual returns.

Lines 28 through 30 are also to be used to report distributions from employees' savings plans, retirement stock purchase plans, and profit sharing plans.
