**ORDER NO. S-130-REVISED**

**RE: Supervisory & Administrative Employees Association (SAEA) and Pontiac Professional Management Association (PPMA), Contract Provision Termination, Retiree Health Care**

**TO: ✓ Sherikia Hawkins, City Clerk

Supervisory & Administrative Employees Association (SAEA)  
Pontiac Professional Management Association (PPMA)**

The Local Government and School District Fiscal Accountability Act (Public Act 4 of 2011) in Section 17(1) empowers an Emergency Manager to issue the orders the Manager considers necessary to accomplish the purposes of the Act and any such orders are binding on the local officials or employees to whom they are issued. Section 19(1) provides that an Emergency Manager may take on one or more additional actions with respect to a local government in receivership: (g) Make, approve or disapprove any appropriation, contract, expenditure...”; (k) After meeting and conferring with the appropriate bargaining representative and, if in the emergency manager’s sole discretion and judgment, a prompt and satisfactory resolution is unlikely to be obtained, reject, modify, or terminate 1 or more terms and conditions of an existing collective bargaining agreement. The rejection, modification, or termination of 1 or more terms and conditions of an existing collective bargaining agreement under this subdivision is a legitimate exercise of the state’s sovereign powers if the emergency manager and the state treasurer determine that all of the following conditions are satisfied...; (l) Act as sole agent of the local government in collective bargaining with employees or representatives and approve any contract or agreement; (ee) Take any other action or exercise any power or authority of any officer, employee, department, board, commission, or other similar entity of the local government, whether elected or appointed, relating to the operation of the local government. The power of the emergency manager shall be superior to and supersede the power of any of the foregoing officers or entities...; and 19(2) ...the authority of the chief administrative officer and governing body to exercise power for and on behalf of the local government under law, charter, and ordinance shall be suspended and vested in the Emergency Manager.

The City engaged in good faith collective bargaining with the Supervisory & Administrative Employees Association (SAEA) and Pontiac Professional Management Association (PPMA). The City met with the SAEA and PPMA Union representatives on October 5, 2011, October 25, 2011, November 3, 2011, and November 16, 2011. During our negotiations, the City requested that SAEA and PPMA agree to place all retirees into a single health insurance plan and single dental insurance plan for all active and retiree plan participants to reduce costs and present the most favorable climate for the City in future bids of health/dental insurance plans, scheduled to occur in 2012. In addition, the City also requested the union to agree to changes in the provisions concerning life, disability, vision, and hearing. The union refused to negotiate any changes to current retirees.

On December 16, 2011, I requested that the State Treasurer concur in my determination under Section 19(k) of the Local Government and School District Fiscal Accountability Act, Public Act 4 of 2011 (Act) to allow termination of those sections of the Collective Bargaining Agreement with SAEA and PPMA concerning health insurance, dental insurance, life insurance, disability insurance, optical insurance, and hearing insurance for the retirees.

As stated in the December 16, 2011 correspondence to the State Treasurer, in my sole discretion and judgment, and after conferring with SAEA and PPMA and its representatives, a prompt and satisfactory resolution of outstanding issues is unlikely to be obtained. Therefore, I determined that the four conditions of Section 19(k) of the Act had been satisfied.

On December 20, 2011, the State Treasurer concurred with my determination and made his separate determination (see attached) that the four conditions of Section 19(k) of the Act had been satisfied.

**It is hereby ordered:**

- I. By operation of law, as provided in Section 19(k) of the Act, pursuant to the determinations made by me and the State Treasurer, the sections of the Collective Bargaining Agreement with the City and SAEA and PPMA concerning only the retirees\* entitled to the benefits as described below and to the extent the retirees are eligible and currently receive the benefits of health insurance, dental insurance, life insurance, disability insurance, optical insurance, and/or hearing insurance have been terminated and replaced with the following:
