The Local Government and School District Fiscal Accountability Act (Public Act 4 of 2011) in Section 17(1) empowers an Emergency Manager to issue the orders the Manager considers necessary to accomplish the purposes of the Act and any such orders are binding on the local officials or employees to whom they are issued. Section 19(1) provides that an Emergency Manager may take on one or more additional actions with respect to a local government in receivership: (dd) [e]xercise solely, for and on behalf of the local government, all other authority and responsibilities of the chief administrative officer and the governing body concerning the adoption, amendment, and enforcement of ordinances...; and 19(2) ...the authority of the chief administrative officer and governing body to exercise power for and on behalf of the local government under law, charter, and ordinance shall be suspended and vested in the Emergency Manager.

On January 13, 2012, I ordered the adoption of a new zoning ordinance for the City of Pontiac. Concurrent with the recommendation to adopt the new zoning ordinance was the recommendation to adopt a new zoning map.

**It is hereby ordered:**

1. That the attached Zoning Map for the City of Pontiac, being Ordinance No. 2250 is adopted, effective upon publication.

2. That the City Clerk shall take all actions required under the law to reflect the attached Zoning Map on the City books and records, including publication of the notice of the newly adopted Zoning Map.

**The Order shall have immediate effect.**

Copies of the documents referenced in this Order are to be maintained in the offices of the City Clerk and the Law Department and may be reviewed and/or copies may be obtained upon submission of a written request consistent with the requirements of the Michigan Freedom of Information Act and subject to any exemptions contained in that state statute and subject to any exemptions allowed under that statute (**Public Act 442 of 1976, MCL 15.231, et. seq.**).

This Order is necessary in order to carry out the duties and responsibilities required of the Emergency Manager as set forth in the **Local Government and School District Fiscal Accountability Act (Public Act 4 of 2011)** and the contract between the State of Michigan and the Emergency Manager.
