BUSINESS ALLOCATION FORMULA - SCHEDULE D

	LOCATED EVERYWHERE I	LOCATED IN PONTIAC II	PERCENTAGE II / I
1. Average net book value of real and tangible personal property	\$ _____	\$ _____	
a. Gross annual rentals multiplied by 8			
b. TOTAL (Add lines 1 and 1a)			%
2. Total wages, salaries, commissions and other compensation of all employees (exclude partners)			%
3. Gross receipts from sales made or services rendered			%
4. Total Percentages - add the three percentages computed for lines 1b, 2 and 3 which you entered in the last column (you must compute a percentage for each of lines 1b, 2 and 3)			%
5. Average percentage (one-third of line 4) - enter here and on P. 3, Sch. I, Col 4 (see note below)			%

NOTE: In determining the average percentage (line 5), a factor shall be excluded from the computation only when such factor does not exist anywhere insofar as the taxpayer's business operation is concerned and, in such cases, the sum of the percentages on line 4 shall be divided by the number of factors actually used.

In the case of a taxpayer authorized by the Administrator to use one of the special formulae, use the lines provided below.

- a. Numerator _____
- b. Denominator _____
- c. Percentage (a / b) _____ % enter here and on P. 3, Sch. I, Col. 4
- d. Date of Administrative approval letter _____

INSTRUCTIONS FOR BUSINESS ALLOCATION FORMULA — SCHEDULE D

The business allocation percentage formula is to be used by NON-RESIDENT owners of partnerships with business activity both inside and outside the City of Pontiac, and that have one or more out-of-city locations, but do not maintain separate accounting records for each location that show with reasonable accuracy the portion of net profits attributable to each location.

A partnership located in Pontiac, without a regularly maintained and established out-of-city location SHOULD NOT use the business allocation formula. Sales and shipments to out-of-city destinations, when no out-of-city location is regularly maintained and established, does not entitle apportionment of a part of the net profit as being earned as a result of work done, services rendered, or other business activity conducted outside the city.

Solicitation of orders by telephone or by catalogs or other mailed matter from a location within the City for shipment to an out-of-city destination, does not constitute out-of-city activity. Also, the solicitation of orders by an out-of-city independent contractor does not constitute out-of-city activity for a local partnership.

Line 1. Enter in column I the average net book value of all real and tangible personal property owned by the business, regardless of location; and in column II show the net book value of the real and tangible personal property located in the City of Pontiac. The average net book value of real and

tangible personal property may be determined by adding the net book values at the beginning of the year and the net book values at the end of the year and dividing the sum thus obtained by two. Any other method which will accurately reflect the average net book value for the year will also be permitted.

Line 1a. Enter in column I the gross annual rentals multiplied by 8 for all rented property regardless of location. In column II show the gross annual rentals multiplied by 8 for all rented property located in the City of Pontiac. Gross annual rentals refer to both real and *tangible personal* property, rented or leased and should include the actual sums of money or other consideration payable, directly or indirectly, by the taxpayer for the use or possession of such real and *tangible personal* property.

Line 2. Enter in column I the total compensation paid to all employees during the year and in column II show the amount of compensation paid to employees for work-done or for services performed within the City of Pontiac during the year.

Line 3. Enter in column I the total gross receipts from all sales or services rendered during the year and in column II show the amount of gross receipts from sales made or services rendered in the City of Pontiac during the year.

INSTRUCTIONS FOR SCHEDULE C, INCOME FROM PARTNERSHIP

The "Income Tax Ordinance of the City of Pontiac" imposes a 1% tax on income earned on and after JAN. 1, 1968.

Resident individuals are subject to the tax regardless of the location from which taxable income was derived. Non-resident individuals are subject to the tax on income earned in the City of Pontiac and on the net profits from businesses, professions or other activities conducted in the City of Pontiac.

This schedule is used to indicate all of the income of the partnership which may be subject to the Pontiac income tax. Line 29 of the Schedule,

therefore, will show the total partnership income to account for. Schedules A, B, E, F and G will then be filled out to compute the taxable portion of the income shown on line 29 of Schedule C. These taxable amounts are then compiled in the Summary Schedule I on page 3.

The amounts for each partner shown in Schedule I are to be transferred to the income section on Page 1, Column 1. If the partnership elects to pay the tax, deductions and exemptions are then deducted to arrive at the net taxable amount for each partner.
