

CITY OF PONTIAC

INCOME TAX EXTENSION POLICY

SUBJECT: Extension of Time for Filing City of Pontiac Income Tax Returns

PURPOSE: To establish a permanent procedure for the allowance of an extension of time for filing Pontiac Income Tax Returns in accordance with Ordinance 1573 and rulings of the Income Tax Administrator.

APPLICABLE TO: All taxpayers having a liability for filing a City of Pontiac Income Tax Return must file either a final return or a tentative return on or before the due date for filing. For calendar taxpayers, the due date is April 30. For fiscal year taxpayers, the due date is on or before the last day of the fourth month after the close of the fiscal year. The amount of income tax liability estimated on a tentative return, less any prior payments, must be paid at the time of filing.

When a tentative return is filed, a final return must be filed no later than six (6) months after the filing of the tentative return. Additional tax due, if any, must be paid with the final return. Interest at rates established by the Michigan Department of Treasury will be assessed on amounts due or paid after the original due date. Penalties for underpayment of taxes as defined in the income tax ordinance are calculated at 1% per month, or part thereof.
