29 ZBA-17-13

30 PROPERTY ADDRESS: 63 Norton Street

1     ZONE:                   R-1 One Family Dwelling  
2     LOCATION:                Parcel#s 14-29-328-021 and  
                              14-29-328-022  
3  
4     APPLICANT:             Potter 4 Square, LLC  
                              Rep: Scott Shaw

5     Presentation of facts given by Mr. Mullen.

6     VICE-CHAIR BUENO OPENED PUBLIC COMMENT.

7     Mr. Scott Shaw, 656 Lincoln Road, Pontiac, MI, stated  
8     that he is working with Mark Thomas on this project. He  
9     also stated that they are working on staying consistent  
10    to the neighborhood. He also explained he worked with  
11    the neighbor to keep his driveway and that there should  
12    be no burden on the existing street and that they are  
13    removing two trees to add to safety of the street.

14    VICE-CHAIR BUENO OPENED PUBLIC COMMENT.

15    Malcolm Campbell, 52 Norton, Pontiac, MI, states he lives  
16    across the street and that it should be denied on the  
17    basis of a garage should not be built next to a sidewalk.  
18    He then stated that there are people in the neighborhood  
19    who have concerns but did not receive proper notice of  
20    this hearing and that the ones who did get notice, it  
21    said Wednesday, January 16, 2018, instead of Tuesday. He  
22    then spoke of several reasons he is not for the  
23    variance.

24    Mr. Mullen stated that, since there was not a previous  
25    proper denial, it was within the six months required to  
26    come back.

27    Mr. Campbell stated that it was not a new application,  
28    there is no change in the ordinance, therefore it is  
29    invalid and that they have to explore the possibility of  
30    building without extending the lot lines first.

31    Mr. Shaw indicated that the garage is not next to the  
32    sidewalk and that they will repair a part of the sidewalk  
33    that is in disrepair. He also stated that many houses on  
34    Porter do not abide by the 25-foot setback and recited  
35    the distances for many.

36    Mr. Campbell informed the Board that, if they come  
37    tomorrow night, since the notice said Wednesday, they

1 might find many people wishing to object to this.

2 VICE-CHAIR BUENO CLOSED PUBLIC COMMENT.

3 COMM. SINCLAIR THINKS THERE SHOULDN'T BE ANY MORE  
4 QUESTIONS BECAUSE OF THE NOTICE ISSUE AND THAT WOULD GIVE  
5 THE BOARD MORE TIME TO DO THEIR DUE DILIGENCE.

6 COMM. ANDERSON STATED THAT AT THE LAST MEETING THE  
7 CONCERN WAS ONE OF THE HOUSES ON THE END BEING TOO BIG,  
8 AND THE SAFETY HAZARD OF NOT SEEING AROUND IT. HE THEN  
9 INQUIRED IF THIS HAD BEEN APPROVED BY PLANNING.

10 VICE-CHAIR BUENO ANSWERED THAT HE DOESN'T THINK SO.

11 Mr. Mullen stated that Planning cannot do a site plan  
12 review because there is not a lot, which is why it is  
13 before the Board.

14 COMM. ANDERSON STATED HE WOULD LIKE MORE TIME TO VISUALLY  
15 INVESTIGATE.

16 COMM. KIRKENDOLPH STATED SHE BELIEVES IT SHOULD BE TABLED  
17 BECAUSE OF THE IMPROPER NOTICE.

18 COMM. BISHOP STATED THAT THEY FIXED THE TRAFFIC SAFETY  
19 CONCERNS FROM LAST TIME BY REMOVING TREES AND WOULD LIKE  
20 TO TABLE BECAUSE OF IMPROPER NOTICE PLUS SHE WANTS THE  
21 DEPUTY MAYOR AT THE NEXT MEETING BECAUSE SHE BELIEVES  
22 THIS SHOULD NOT BE DENIED.

23 COMM. PAYNE AGREES IT SHOULD BE TABLED DUE TO THE NOTICE.

24 Mr. Shaw asked if there is anything the Board would like  
25 to see, that they let him know and stated that this is  
their fourth time at City Hall.

VICE-CHAIR BUENO SUGGESTED HIM OBTAINING A PLOT PLAN.

COMM. BISHOP MOTIONED TO TABLE.
